Classes to Get Started in the COMM Major

If you haven’t completed COMM 1210, 1300, & 1600, plan to do so asap. As a sophomore, plan on enrolling in 2 of the following: COMM 2360, 2400, 2500, or 2600. Optimally, these should be completed prior to the junior year. Registering on time is critical in the COMM major.

Getting Involved in the Department

Honors: Eligible students interested in graduating with department honors should Cindy White  cindy.white@colorado.edu.

Eta Phi is the University of Colorado Boulder chapter of Lambda Pi Eta. Lambda Pi Eta (LPH) is the official communication studies honor society of the National Communication Association. All Communication students are welcome to participate in Eta Phi’s social gatherings and volunteer activities. (see COMM website)

Internships & Independent Study: Up to 6 hours of internship (COMM 4930) and 8 hours of independent study (COMM 4840) may be taken. These are upper-division, general elective hours only and DO NOT apply toward the major, but do count as Communication hours for the 45 hours allowed in one department.
